President's Message

March 2023, the main focus of the volunteers has been simply moving things around
The privately-owned end platform car has been moved from the Oberon yard to a property at Canowindra
Sleepers, timbers, turnouts and rail from the EDI site in Bathurst and the yard in Oberon to Hazelgrove station site.

In the midst of the shifting, work has continued on the headstock replacement of HLF854. The local upholsterer has commenced work on the restoration of the seats in HS36 and we have asked Lithgow Rail Workshop to quote on repairs to the major framework as well

Oberon Tarana Heritage Railway Inc. Mission Statement

To be an accredited rail operator to run a tourist train from Oberon station to Tarana station on the main western line. This would allow for tourists to ride a heritage train along the Oberon Tarana branch line which was also known as a pioneer line.

Further, the running of this train would generate tourist related jobs in the Oberon area and give residents in the Oberon/Bathurst area an opportunity by volunteering at OTHR to enhance the rail heritage in the local area.

Network with other rail heritage groups and museums at Valley Heights, Lithgow, Zig Zag, Bathurst, and Cowra to form a Heritage Railway partnership to prioritise and promote the area as a Railway Tourist Precinct

Privately owned carriage almost loaded and ready for the trip to Canowindra.

Editor's thoughts

Let's Celebrate.

My thoughts in April are centred on celebrating the opening of the Oberon to Hazelgrove (Stage1) in October. Please read on to find out more.

October 2023 will bring with it the Centenary of the Tarana to Oberon branch line official opening.

It will also be the month when Oberon Tarana Heritage Railway Inc. (OTHR) will hold its official opening of the new line to Hazelgrove (Stage1).

And celebrate we will! Your committee is planning a month-long celebration with something for everyone. Plans have now been put in place, so we'll see a re-enactment of the opening of the branch line. There will also be a model train exhibition, a picnic in the park, and the Great Railway Ball.

We are now in a position to announce the activities and more detail will be advised as soon as we have settled the dust.

*Come and be part of our celebrations in October.
Plan your visit now.*

“Confirm the celebration reservation for the arrival at your goal finish line!
Dr Tracey Bond”

Your chance to win \$1,000.00.

You can win \$1,000.00 by investing in our fund raising with a chance to win.

It's a simple way for you to invest to help secure our future. It works this way:

- Purchase a ticket for \$20.00.
- There are only 100 tickets sold.
- When all 100 tickets are sold, we will draw one ticket with your chance to win \$1,000.00.
- Simply fill in the entry form that will be located at the end of the February newsletter, email it to us (or in need post it) and bank your funds to our bank account, detailed in the form.
- Reference your name in the banking details.
- Once we match your entry form with your deposit, we will issue a ticket in your name and email it back to you.
- If you win, we will email you and publish your name in the next available newsletter.
- We will ask for your banking details at that point and direct credit your win.

OTHR Committee's draw will be final, and we won't accept any further claim

This is a wonderful way to support the Oberon Tarana Heritage Railway Inc and at the same time have a 1 in 100 chance of winning \$1,000.00.

The plan is to run 100 clubs regularly, so the chance to win will be on-going.

We have checked with all States and Territories in Australia and have been cleared to run the 100 Club, no matter where you live.

Picnic Day

An event for all Car Clubs

Saturday 14th October 2023

One of the 1923 Opening Day events
was a picnic in the park. OTHR is
planning a picnic day in conjunction
with Mayfield Garden and the Skoda
and Tatra Register Museum.

An up-market style Cars and Coffee
event for all car clubs and motoring
enthusiasts in New South Wales.

A jazz band will be playing on the green
to entertain all car enthusiasts and
picnickers.

Mayfield Garden will be catering for
everyone with a picnic hamper.

We encourage all enthusiasts to dress
in the vintage of your vehicle.

*Whatever you do, don't miss this once
in a lifetime event.*

We haven't settled the cost of this event yet.
Mayfield Garden will be handling all ticketing and
catering on our behalf for this event.
Further advice to come.

Official Opening Oberon to Hazelgrove 21st October 2023

Oberon Tarana Heritage Railway Inc. will officially open the Oberon to Hazelgrove Section (Stage 1) at 11.00 am on Saturday 21st October 2023.

The event will be a re-enactment of the original event in 1923.

Following the opening ceremony, a train carrying dignitaries and special guests will depart Oberon Station for Hazelgrove for a celebration lunch in a Marquee near the Hazelgrove terminus. A String Quartet will entertain guests during lunch.

All readers are invited to participate in the opening ceremony. Bring your classic vehicle and dress in period costume and enjoy the fun.

2023 Great Railway Ball

Yes, The Great Railway Ball for 2023 is on again on Saturday 28th October.

The Ball is part of the OTHR Month of Celebrations of the 100th Anniversary of the opening of the Oberon branch line and the resumption of passenger services to Hazelgrove (Stage1).

How does the Roaring Twenties grab you with a big band, dancing the Charleston, great food and dress in the fashion of the 20's.

The initial Ball in 2022 was a huge success and your committee is planning to build on it for 2023.

Our plan is to take it up a notch or two for this year's guests. Be quick to organise tickets as space is limited to approximately 120 guests and tickets will be gone in a flash. Full details and pricing will be released shortly.

Work to start on the loop line at Hazelgrove.

The two turnouts, one from a site near Gilgandra and the other from Bathurst are now on site at Hazelgrove. Over time we have collected a good number of timbers from various locations. The April 1st working bee put in a big effort to de-plate and get an inventory of the numbers and lengths in stock. We have just enough to complete each end

of the turnaround loop. Restoration of the loop starts the week after Easter.

Sleepers being loaded in the Oberon Yard destination Hazelgrove

Rail for the southern turnout.

Saturday April 1st Working Bee De-plating timbers in the Oberon Yard

Restoration of Headstocks on second carriage started.

Work on HLF854 (End Platform Carriage) is progressing

- Jacked and supported carriage.
- Cracked and removed Truss Rod turnbuckles.
- Removed south end Headstock.
- The turnbuckles were very tough to undo. They probably hadn't moved for 50+ years.
- We used our special formula penetrating oil being 50% auto transmission oil and 50% acetone. This worked well after wrapping and soaking the buckles for a few days.

Removed turnbuckle and our special formula penetrating oil.

*One thoroughly used headstock.
Most likely the 126-year-old unit.*

So... you think you want to volunteer?

OTHR is seeking expressions of interest from members who have the necessary accreditation to drive 73 Class Locomotives or those who would like to learn/train.

Step 1: Your interest should be lodged with the Secretary at admin@othr.com.au

Important information about moving rolling stock: Shunting in the yard will not be frequent but regular as movements are required. Typically shunting would occur in bringing rolling stock to the station for display at open days, special events and rallies.

Medicals:

The level of certification depends on your level of interest.

- Driver Level 1 medical certificate
TMV operator Level 2 medical certificate.
- For all volunteers there is a site induction and further training depending on the type of volunteer assistance you wish to undertake.
- OTHR needs to comply with the guidelines of ONRSR – the Office of the National Rail Safety Regulator and other Laws either Federal or State.

Sponsors

Seeking funding continues to be one of your committee’s priorities.

Sponsorships are an especially important part of the funding of our activities. It matters not whether a person or company contributes cash or kind, each will be considered as a sponsorship. The reason is that any person or company that contributes in kind is helping us in as much as we don’t have to pay for those services and the sponsor is foregoing income. The committee needs to seek cash sponsors and this task is ongoing.

Currently we now have four sponsors on board, all sponsors offer in kind support for which we are extremely grateful.

Would you like to become a sponsor? Contact President Greg to find out how you can participate in OTHR’s exciting sponsorship deals. There are a few sponsorship levels available. By sponsoring OTHR and its vision you will become a partner of the programme
