## Presidents Message

The first Open Day for 2021 was held last Saturday 2<sup>nd</sup> January. At 9.00 am when we were about to do the shunt from the rolling stock shed to the station the weather was bleak. The comment at that time was "It looks like it will be you, me and him today" The weather improved and over-all we had a good day. A good number of visitors and it was opportunity for committee members to relax a bit and discuss what might happen during the year.

In the week before Christmas, we received

1. A letter from Deputy Prime Minister Michael McCormack re the Community Development Grant of \$1.5 million.
2. An email from the department which had a Draft Funding Agreement – a little bit of light reading for the Christmas break.

We responded to the Draft Funding Agreement this afternoon (Wednesday 6<sup>th</sup>) following an extraordinary committee meeting on Monday afternoon. That particular project is moving along quite well.

In the first three months of the year, we need to be pro-active in the following

- The CDG Grant time lines
- Fine tuning locomotives
- Certification of the End Platform Cars

David McMurray is always on the lookout for new grants we can apply for. A couple of areas that he is preparing documents for are:

Extensions to the rolling stock shed  
Improvements to our heritage buildings – the Station Building and the Mens' Toilet/Lamp Room.

## Oberon Tarana Heritage Railway Inc.

### Mission Statement

**To be an accredited rail operator to run a tourist train from Oberon station to Tarana station on the main western line. This would allow for tourists to ride a heritage train along the Oberon Tarana branch line which was also known as the pioneer line.**

**Further, the running of this train would generate tourist related jobs in the Oberon area and give residents in the Oberon/Bathurst area an opportunity by volunteering at OTHR to enhance e rail heritage in the local area.**

**Network with other rail heritage groups and museums at Valley Heights, Lithgow, Zig Zag, Bathurst and Cowra to form a Heritage Railway partnership to prioritise and promote the area as a Railway Tourist Precinct.**

## Editor's thoughts

A happy New Year to all readers.

So, a new year has begun and what does it bring to Oberon Tarana Heritage Railway Inc.?

As I write this Newsletter New South Wales is again in turmoil with another outbreak of Corona virus on the horizon and that leaves us with a degree of uncertainty.

2021 was to welcome an increased number of groups and associations to the Oberon Station Precinct but we are not sure if they can proceed at this moment in time.

Your committee is continuing to work with the Federal Government to put the \$1.5M grant in place so the rail line to Hazelgrove can be refurbished and readied for tourist train travel. We now have the heritage licence in place and most obstacles have been overcome.

We are still optimistic that a train will be on the tracks by the end of this year, but some delays (not ours) appear inevitable.

And your committee continue to pursue grant opportunities whenever they arise. We have a huge stable of projects that need to be completed.

Working bees will proceed with COVID rules in place and dates will be advised via Facebook, the website and the Newsletter.

At this point, Open Days will continue with strict COVID rules in place.

“Optimism is essential to achievement and it is also the foundation of courage and true progress.

Nicholas Murray Butler”

## An important shout out...

We have recently received membership payments for:

Mark/Brendan Holden  
Phillip Fowler  
K. Holdsworth.

**WITH COVID RESTRICTIONS  
SLOWLY BEING LIFTED OTHR  
WILL SOON BE ABLE TO RESUME  
BI-MONTHLY MEETINGS.  
KEEP A LOOK OUT FOR  
ANNOUNCEMENTS.**

## And so, it was Christmas....

“So, this is Christmas  
And what have you done?  
Another year over  
And a new one just begun  
And so, this is Christmas  
I hope you have fun  
The near and the dear one  
The old and the young  
A very Merry Christmas.

*John Lennon”*

Open Day, 5<sup>th</sup> December dawned with a distinct feel of Christmas.

Christmas is for the old and the young as John Lennon points out.

OTHR’s first ever Christmas themed Open Day was a beauty.

Old and young alike came to the event with Father Christmas being a star on the day.

The young came to see and have a photo taken with Santa and the young at heart retired to the carriages to enjoy a festive morning tea.

OTHR volunteers who gave of their time equally enjoyed seeing the delight in everyone’s faces.

It was a fitting finish to the OTHR year and the new one just begun promises to be even more exciting.

*"Hazelgrove" getting into the festive spirit. The OTHR version of Santa's sleigh in the background.*

*General scene of station activity*

A special thanks to Terry Boyce, a local Oberon identity, who played Santa Claus for us on the day.

## Immediate Goals

A new range of goals to be achieved soon as follows:

1. Obtain full track certification for the Oberon Yard area.
2. Gain approval for the HOL North of Albion Street to approximately 500m north of the Hazelgrove Station.
3. Apply for variation to existing accreditation for Rail Infrastructure Manager & Rail Transport Operator to approximately 500m north of the Hazelgrove Station.
4. Apply for variation to existing accreditation to operate work trains to Hazelgrove.
5. Apply for variation to existing accreditation to operate tourist trains to Hazelgrove.

## New Feature for OTHR.

Oberon Tarana Heritage Railway Inc. is introducing the Oberon Precinct and Train as a venue for wedding and other photo opportunities.

Should marriage be in the offing or you know a relative or friend who is about to marry, OTHR is offering a unique venue for that exclusive wedding photo that you will treasure for all time.

You have the choice of the Oberon Station or the Station and Train.

Enquiries can be made via our email address: [admin@othr.com.au](mailto:admin@othr.com.au)

Hiring fees are very competitive.

## Positions Vacant

Your committee is looking for members to step up and take a part in the responsibility of running a large-scale volunteer enterprise, namely the Oberon to Tarana Heritage Branch Line as a tourist attraction.

Within the next few months and into the future OTHR will be continuing the building of a wonderful community project involving the operations of trains as a tourism attraction that will be the envy of the Central Tablelands and the Central West, if not New South Wales.

Specifically, the following positions have been identified and will need to be filled in due course:

- Finance Manager – needs to be filled soon.
- Safety Manager – needs to be filled soon.
- Curator, Oberon Station Interpretive Display.

All positions will be filled by members, the railway community or the general public with appropriate skills suited to the job.

OTHR also needs skilled tradespersons of all types. For example, Carpenters, Plumbers, Electricians, Boilermakers, Painters plus more.

Please also contact Greg Bourne as above your experience.

## So... you think you want to volunteer?

OTHR is seeking expressions of interest from members who have the necessary accreditation to drive 73 Class Locomotives or those who would like to learn/train.

**Step 1:** Your interest should be lodged with the Secretary at [admin@othr.com.au](mailto:admin@othr.com.au)

### Important information about moving rolling stock:

Shunting in the yard will not be frequent but regular as movements are required. Typically shunting would occur in bringing rolling stock to

the station for display at open days, special events and rallies.

### Medicals:

The level of certification depends on your level of interest.

Driver Level 1 medical certificate

TMV operator Level 2 medical certificate.

For all volunteers there is a site induction and further training depending on the type of volunteer assistance you wish to undertake.

OTHR needs to comply with the guidelines of ONRSR – the Office of the National Rail Safety Regulator and other Laws either Federal or State.

Still interested in volunteering? Then let's hear from you.

*Looking back into 2020 at some of the volunteer's activities. You are welcome to join our merry band of workers at any of the working bees. It's not all hard work. Contact President Greg Bourne for more information*

Cleanout of Men's Toilet, Lamp Room and Lock-Up. A few treasures were discovered and a lot of things that could have gone to the tip years ago were identified and put on the trailer ready for disposal.

Some changes have been made, with the establishment of a professional though small railway interpretive display; an entry fee of \$5.00 pp (children under 18 free), and a pop-up café serving a Devonshire tea for an additional \$10.00.

The result has seen a large increase in visitors comprising locals and tourists.

Your committee is also actively advertising for group visits and we are providing a railway experience bar none.

Groups are starting to line up and results so far have been encouraging. If you are a member of another group, say a car club or Rotary or Probus or a gardening club, etc. and that group is looking for an excursion, please suggest they book a group visit to Oberon station.

Admission \$5 (18 and over), Devonshire Tea \$10

## Sponsors

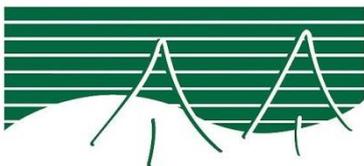

Seeking funding continues to be one of your committee's priorities.

Sponsorships are a very important part of the funding of our activities. It matters not whether a person or company contributes cash or kind, each will be considered as a sponsorship. The reason is that any person or company that contributes in kind is helping us in as much as we don't have to pay for those services and the sponsor is foregoing income. The committee needs to seek cash sponsors and this task is ongoing.

Currently we now have four sponsors on board, all sponsors offer in kind support for which we are extremely grateful.

Would you like to become a sponsor? Contact President Greg to find out how you can participate in OTHR's exciting sponsorship deals. There are a few sponsorship levels available. By sponsoring OTHR and its vision you will become a partner of the programme
