## President's Message

The main activity this month has been removing the spare rail from the space between the end of the rolling stock shed and Albion Street. The heaps of rubble were levelled using 356 "in kind" funding from the Oberon Council. The levelled area will be used for storage area of as the line to Hazelgrove is restored.

We are about half way through putting up a 180 cm high chain wire fence to ensure that the stored materials do not "go missing".

Michael O'Kane is working hard on some changes to HLF854 in preparation for the Yuletide Function on 24<sup>th</sup> July.

Over the next 6 months we will reviewing the SMS documents. So far there have been some subtle changes to the home page with a direct link to the SMS documents which results in a completely new look. There is a lot of work to be done and it must be done as we apply to ONRSR for a variation of accreditation to be a Rail Transport Operator North of Albion Street.

I must acknowledge the good work of the members who gave up so much time last Sunday for the Cars & Coffee Event. Thank You.

## Oberon Tarana Heritage Railway Inc.

### Mission Statement

**To be an accredited rail operator to run a tourist train from Oberon station to Tarana station on the main western line. This would allow for tourists to ride a heritage train along the Oberon Tarana branch line which was also known as the pioneer line.**

**Further, the running of this train would generate tourist related jobs in the Oberon area and give residents in the Oberon/Bathurst area an opportunity by volunteering at OTHR to enhance e rail heritage in the local area.**

**Network with other rail heritage groups and museums at Valley Heights, Lithgow, Zig Zag, Bathurst and Cowra to form a Heritage Railway partnership to prioritise and promote the area as a Railway Tourist Precinct**

## Editor's thoughts

So, where are we now?

A lot of water has passed under the bridge in recent times and that water is fast becoming a flood. The snow and sleet falling just outside of my window is a mere bump along the way to achieving our visionary Stage 1, operating rail line to Hazelgrove NSW.

Tender documents are about to be released seeking suitable companies to refurbish the line according to the scope of works at hand.

A grant application for funding to repair HS36 has gone forward. As with all grant applications these days, it is a complex document requiring hours of work by our HS36 sub- committee and it is hoped that it will pay off. HS36 is a State significant piece of Rolling Stock.

Our Events Manager, Catering Manager, Treasurer and Publicity Officer put together a new event Coffee & Cars for OTHR on 27<sup>th</sup> June. A way of bringing OTHR to the attention of a wide group of people. Overall, it was a great event. A great turn out, good publicity for the group and financially very good.

Our Events and catering people are planning a Yuletide High Tea on board our 1897 newly reconfigured carriage on Saturday 24<sup>th</sup> July at 3.00 PM. Again, this is a foretaste of the sorts of events we plan to offer when the OTHR tourist attraction is operational. Yuletide will be a public event and we have limited capacity so record your interest via our email [admin@othr.com.au](mailto:admin@othr.com.au).

"Always gotta keep busy or the voices start telling me to do wild things.

Steve Brown"

*OTHR Committee supports Dry July. Why not raise some funds for the cause.*

### **OTHR'S NEXT BI-MONTHLY MEETING IS 4<sup>TH</sup> AUGUST 2021. OBERON RSL. SPECIAL GUEST MAT WEBB.**

Mat Webb is Oberon's Economic Development and Tourism Manager.

He is passionate about Oberon and developing the business and tourism infrastructure that will allow our town to grow into the future.

At this meeting Mat will discuss Oberon's tourism strategy and how OTHR's railway adventure will fit with that strategy.

For those members and residents who have been involved with OTHR over the years, this is one meeting you don't want to miss.

***NOTE: This event sold out***

## **OTHR secures Oberon Council funding.**

As part of its community funding programme, Oberon Council has announced that Oberon Tarana Heritage Railway Inc. has received funding under Section 356 for 2021 – 2022 financial year. These funds will assist OTHR in the day-to-day administration of our operations.

## **Short Term Goals**

A new range of goals to be achieved soon as follows:

### **Immediate:**

- **Finish fencing of the area North of the rolling stock shed**
- **Continue with sleeper replacement in road 3**
- **Prepare HLF854 for the Yuletide on 27<sup>th</sup> July**

### **Ongoing to December 2021**

**Full track certification for the Oberon Yard area.**

**Secure a variation to existing accreditation for Rail Infrastructure Manager to approximately 500m north of the Hazelgrove Station. Reconstruct and have the section of track certified.**

**Commence the process of ensuring the two locomotives and end platform cars are “fit for use” Oberon to Hazelgrove**

**Apply for variation to existing accreditation to become a Rail Transport Operator Oberon to Hazelgrove.**

**Complete the review of SMS and Operational Procedures documents**

## **A reminder...**

**OTHR Membership is due for renewal on 1<sup>st</sup> July 2021**

**Due to ever increasing costs we have to set the membership fee at \$40.00 for 2021/22.**

**Renew Now!!**

## **Hear us live on air.**

Following on from a recent opportunity to promote our respective associations, you can hear OTHR live on Community Radio Station 107.5 FM Orange every Monday fortnight.

Listen in to Darrell Hair interview OTHR President Greg Bourne about the very latest news from OTHR.

Time: 9.05 AM

Dates: 12<sup>th</sup> July 26<sup>th</sup> July 9<sup>th</sup> August 23<sup>rd</sup> August and then Monday fortnight thereafter.

Not in the 107.5FM listening area? then search for the 107.5FM Orange website and click “Tune in Now” for a stream of the interviews.

The stream is available anywhere in the world.

If you continue to listen, the music’s good as well.

## **Did you know...**

That on Open Days OTHR has a pop-up café in one of the carriages at the station?

Come along and try our scrumptious scones, mouth-watering cake with a tea or coffee. Our café staff would love to look after you.

\$15.00 PP gets you entry to the station precinct and morning tea, children (under 18) \$10.00 only.

Yet another good reason to come along and see what the railway folk are doing at the station.

**ATTENTION: This event cancelled for July due to COVID19 restrictions.**

## New Feature for OTHR.

Oberon Tarana Heritage Railway Inc. is introducing the Oberon Precinct and Train as a venue for wedding and other photo or filming opportunities.

Should marriage be in the offing or you know a relative or friend who is about to marry, OTHR is offering a unique venue for that exclusive wedding photo that you will treasure for all time.

You have the choice of the Oberon Station or the Station and Train.

Enquiries can be made via our email address:  
[admin@othr.com.au](mailto:admin@othr.com.au)

Hiring fees are incredibly competitive.

## Positions Vacant

Your committee is looking for members to step up and take a part in the responsibility of running a large-scale volunteer enterprise, namely the Oberon to Tarana Heritage Branch Line as a tourist attraction.

Within the next few months and into the future OTHR will be continuing the building of a wonderful community project involving the operations of trains as a tourism attraction that will be the envy

of the Central Tablelands and the Central West, if not New South Wales.

Specifically, the following positions have been identified and will need to be filled in due course:

- Finance Manager – needs to be filled soon.

All positions will be filled by members, the railway community or the general public with appropriate skills suited to the job.

OTHR also needs skilled tradespersons of all types. For example, Carpenters, Plumbers, Electricians, Boilermakers, Painters plus more.

Please also contact Greg Bourne as above your experience.

## So... you think you want to volunteer?

OTHR is seeking expressions of interest from members who have the necessary accreditation to drive 73 Class Locomotives or those who would like to learn/train.

**Step 1:** Your interest should be lodged with the Secretary at [admin@othr.com.au](mailto:admin@othr.com.au)

### Important information about moving rolling stock:

Shunting in the yard will not be frequent but regular as movements are required. Typically shunting would occur in bringing rolling stock to the station for display at open days, special events and rallies.

### Medicals:

The level of certification depends on your level of interest.

- Driver Level 1 medical certificate  
TMV operator Level 2 medical certificate.
- For all volunteers there is a site induction and further training depending on the type of volunteer assistance you wish to undertake.

- OTHR needs to comply with the guidelines of ONRSR – the Office of the National Rail Safety Regulator and other Laws either Federal or State.

## Work begins on the railway line to Hazelgrove.

Oberon Council brought in the big guns recently to clear and level the area behind OTHR's rolling stock shed.

This area will be used to stockpile materials for use in the reconstruction. As materials are sourced, they will be stored pending redeployment in the refurbishment of the railway line.

## Cars and Coffee event a success

Was it a success or what!!

Your committee organised this event, something very new to us without any expectations of whether it would work or whether enthusiasts would actually want to make the trip to Oberon.

We had this event planned for about fourteen months ago but was cancelled at the last moment due to Corona Virus rearing its ugly head.

So, what happened this time? Well, we were nearly cancelled again by Corona Virus. Fortunately, it was

a Greater Sydney lockdown this time and that allowed the Oberon Railway Cars and Coffee to go ahead, but without anyone East of Lithgow being able to come.

The Central Tablelands and Central West didn't let us down with enthusiasts turning up in droves in vehicles ranging from rods to bush utes to classic cars.

All with a very chilly wind blowing the chill factor was well below zero and the day starting with threatening clouds ready to rain on our parade.

This is Oberon in winter when all said and done. I suppose locals would have referred to it as a very temperate day!

About 110 vehicles and maybe 200 visitors were in attendance. Now I now know why car buffs are called enthusiasts because they enthusiastically devoured every sausage sanga and every B & E Roll our volunteers Roy, Mike and Elaine could cook. Rhonda our coffee lady from "Coffee to Go" had the same response filling cups of piping hot and good coffee as fast as they were drunk.

Judging from comments made subsequent to the event the OTHR committee will likely stage this event around September/October when the weather is a little warmer.

So, all car enthusiasts note, reserve the date when announced for a run to Oberon and enjoy a lovely day with like-minded people.

## About Oberon.....

It's July and it's well and truly wintertime in Oberon.

Already we've seen a snow fall. "The first fall of snow is not only an event, it is a magical event. You go to bed in one kind of a world and wake up in another quite different, and if this is not enchantment then where is it to be found" – J.B. Priestly.

There is nothing more serene than a white blanket of sparkling gems quietly settling over a spectacular landscape. There are no words that adequately describe Oberon in the winter season.

Oberon generally has events planned every month and this is what you can expect in July:

- 24<sup>th</sup> July, Yule Tide High Tea at the Oberon Heritage Station. (Tickets available at [stickytickets.com.au](http://stickytickets.com.au))
- 31<sup>st</sup> July Tarana Markets.

Both markets are located in a unique setting and are worth a trip to Oberon alone.

For the latest in what's happening check with the knowledgeable girls at the Oberon Visitor Information Centre.

Oberon is always welcoming of groups of all genres. Some of the recent visitors to the Oberon Station Precinct have been:

- Standard and Triumph Car Club.
- A Bathurst Retirement Village.
- The Morris Register.
- Seniors Week tour.

- Cars and Coffee

Oberon has an enthusiastic team available to help you plan an action-packed itinerary, whether it is for a day or a week.

Oberon, the perfect place to base yourself for a week or a few days or even just a day!

Oberon is just two hours from Sydney's Western Suburbs, two and a half hours from Canberra, and an easy and lovely drive from Dubbo as well as the Hunter Valley.

One thing's for sure, you will be more than welcome in Oberon! There is a team of friendly locals here to help. Contact us any time to discuss.

**You don't have to attend every working bee, just the ones that fit in your timeframe.**

**You will take away experiences from your time at Oberon.**

**Some of the benefits of volunteering are:**

**Developing new skills**

**Meeting new people**

**Assisting with a meaningful and important cause**

**Contributing to the community**

**A sense of belonging.**

*Volunteers digging post holes for the fencing of our materials holding yard prior to refurbishing the railway line to Hazelgrove. It was a very wet and chilly day at the working bee. Possibly a council worker in the foreground?*

## Monthly Open Days.

**Are held on the first Saturday of the month.**

**Please note we have cancelled the July Open Day due to Covid restrictions**

Volunteers will meet and greet visitors, show them through the displays and try to answer any questions.

If you wish to volunteer at the open days, please contact President Greg. All that's required is a broad knowledge of OTHR history and an ability to talk with people. The work is rewarding and fun.

Great friendships can form at these days.

Some changes have been made, with the establishment of a professional though small railway interpretive display. An entry fee of \$5.00 pp (children under 18 free), and a pop-up café serving a Devonshire tea for an additional \$10.00.

The result has seen a large increase in visitors comprising locals and tourists.

Your committee is also actively advertising for group visits, and we are providing a railway experience bar none.

Groups are starting to line up and results so far have been encouraging. If you are a member of another group, say a car club or Rotary or Probus or a gardening club, etc. and that group is looking for an excursion, please suggest they book a group visit to Oberon station.

Admission \$5 (18 and over), Devonshire Tea \$10

Oberon District Museum admission \$5.

Skoda Tatra Museum entry by way of a donation.

## Training

Training is an ongoing issue for OTHR. Some of the training can be conducted in house and some needs to be done externally.

A couple of areas are being examined just now and include:

- Rail Safety Workers Certificate. This can be done online.
- TMV Training. This can be done in house. There is a Medical Certificate requirement.
- Locomotive Driver Training. We have a permanent trainer/assessor
- Responsible Service of Alcohol Certificate can be done externally online.
- Working with Children Certificate. This can be done online and is free for volunteers.

## Major Change to Opening Times.

We have changed our opening times at the railway precinct. This is to accommodate our visitor arrival times and to allow them time to visit the Oberon Markets beforehand.

**Visiting hours are now:**

**10.00AM 'til 3.00PM.**

## OTHR Precinct A Must See!

Moves are afoot at the Station Precinct and beyond.

The heritage listed PC3 station building contains a small interpretive centre consisting of memorabilia and a photo display of the history of the Oberon to Tarana branch line. There is now a small cinema showing the OTHR history past, present and future, well worth a look.

OTHR Open Days now feature our train drawn up to the station, where you can enjoy a Devonshire Tea at our pop-up café in one of the American style End Platform Carriages.

The wider Oberon Heritage precinct houses a variety of rolling stock most of which are rare and has a story to tell.

Ask any of our enthusiastic volunteers for the low down on the machinery.

OTHR, Oberon District Museum and the Skoda Tatra Museum are open between 10 AM and 2 PM on the first Saturday of each month, coinciding with the Oberon Farmers Market.

## Sleeper Club

Oberon Tarana Heritage Railway Inc.'s Sleeper Club is a wonderful way of contributing to the rebuilding of our great project.

When investing in a sleeper you'll receive a Certificate noting your purchase and this can make a wonderful and unique gift for any rail buff, your family or friends. A great idea for Birthdays, a Special Event or even Christmas.

The investment is \$100 per new sleeper.

**Get yours now!**

## Sponsors

Seeking funding continues to be one of your committee's priorities.

Sponsorships are an especially important part of the funding of our activities. It matters not whether a

person or company contributes cash or kind, each will be considered as a sponsorship. The reason is that any person or company that contributes in kind is helping us in as much as we don't have to pay for those services and the sponsor is foregoing income. The committee needs to seek cash sponsors and this task is ongoing.

Currently we now have four sponsors on board, all sponsors offer in kind support for which we are extremely grateful.

Would you like to become a sponsor? Contact President Greg to find out how you can participate in OTHR's exciting sponsorship deals. There are a few sponsorship levels available. By sponsoring OTHR and its vision you will become a partner of the programme
