## EL-02 Safety Policy

OTHR's Rail Safety Policy defines the safety aims and objectives of the organisation and expresses the organisation's commitment to risk management and the development of a positive safety culture.

The policy was developed in consultation with OTHR Members and contractors.

It has been approved by the OTHR Management Committee.

The Rail Safety Policy is reviewed regularly as part of the Safety Management System.

Changes to the Policy are submitted to the OTHR Management Committee for review.

Once approved by the Management Committee it is signed by the President and displayed in conspicuous places throughout the OTHR Operational area.
