## President's Message

The big news this month is that Tabettha Lord has joined the committee as Secretary. She attended the committee on last Wednesday evening and came into the office/storeroom on Friday morning to become familiar with the directory structure of the computer especially where the committee agenda and meeting files were located.

Tabetha is completing a Business Administration Diploma and will eventually bring a more professional aspect to our administration.

Working bees have continued and the matters raised in January by Shane from Hi-Tech Rail Services have been attended to. Work has started on the timbers, sleepers and frame E around the turnout at the Scotia Avenue end of Road 3. Mike O'Kane has continued with the interior of HLF 854 – there are a couple of photos later in this newsletter.

The focus of this month's front page is the opening of the Bathurst Rail Museum. Elaine Boxer and myself accepted the invitation to the opening on Friday 21<sup>st</sup> February. It was a good opportunity to catch up with Andrew Gee, Federal Member for Calare – one of our co-patrons. A visit to the new museum is a must! The presentation of the exhibits, the model railway and the childrens' section are excellent. When you visit Oberon make sure you travel onto Bathurst to the new museum.

## Oberon Tarana Heritage Railway Inc. Mission Statement

**To be an accredited rail operator to run a tourist train from Oberon station to Tarana station on the main western line. This would allow for tourists to ride a heritage train along the Oberon Tarana branch line which was also known as the pioneer line.**

**Further, the running of this train would generate tourist related jobs in the Oberon area and give residents in the Oberon/Bathurst area an opportunity by volunteering at OTHR to enhance rail heritage in the local area.**

**Network with other rail heritage groups and museums at Valley Heights, Lithgow, Zig Zag, Bathurst and Cowra to form a Heritage Railway partnership to prioritise and promote the area as a Railway Tourist Precinct.**

## Editor's thoughts

Code of Conduct.

This month the newsletter has a heavy concentration on our Code of Conduct.

The document, just adopted by the Committee lays out how every member of OTHR must conduct themselves. Being a member of any group or organisation carries with it a responsibility to act and behave in a way that doesn't bring that association or association into disrepute. In other words a member is the association or organisation is a professional representative when in public or speaking with others.

The OTHR Code of Conduct covers:

- Our values, Our Behaviours
- Our Code, Our Responsibility
- Safety and Accountability
- Our Integrity
- Care and Respect
- Teamwork
- Speaking Up
- Making an Honest Report
- Follow all OTHR Policies, Procedures and Industry Best Practice Standards

A bit tough? Not at all. As we progress towards becoming a viable railway tourism operation, our Code of Conduct will become increasingly important.

You'll find the complete document in our SMS documents on the OTHR website shortly.

## NEXT MEETING

### NEXT BI-MONTHLY GENERAL MEETING

**8<sup>TH</sup> APRIL 2020**

**OBERON RSL**

**7.30 PM.**

## Immediate Goals

A new range of goals to be achieved in the near future as follows:

1. **Obtain full track certification for the Oberon Yard area.**
2. **Gain approval for the HOL North of Albion Street to approximately 500m north of the Hazelgrove Station.**
3. **Apply for variation to existing accreditation for RIM & RSO to approximately 500m north of the Hazelgrove Station.**
4. **Apply for variation to existing accreditation to operate work trains to Hazelgrove.**
5. **Apply for variation to existing accreditation to operate tourist trains to Hazelgrove.**

## Positions Vacant

As you have read earlier, your committee is looking for members to step up and take a part in the responsibility of running a large-scale volunteer enterprise, namely the Oberon to Tarana Heritage Branch Line as a tourist attraction.

Within the next few months and into the future OTHR will be continuing the building of a wonderful community project involving the operations of trains as a tourism attraction that will be the envy of the Central Tablelands and the Central West, if not New South Wales.

Specifically, the following positions have been identified and will need to be filled in due course:

- Finance Manager – needs to be filled soon.
- Safety Manager – needs to be filled ASAP
- Curator, Oberon Station Interpretive Display.

All positions will be filled by members or the railway community or the general public with appropriate skills suited to the job.

OTHR also needs skilled tradespersons of all types. For example, Carpenters, Plumbers, Electricians, Boilermakers, Painters plus more. Please also contact Greg Bourne as above with your experience.

## So... you think you want to volunteer?

WOW look at all the volunteer positions now becoming available!!

OTHR is seeking expressions of interest from members who have the necessary accreditation to drive 73 Class Locomotives or those who would like to learn/train.

**Step 1:** Your interest should be lodged with the Secretary at [admin@othr.com.au](mailto:admin@othr.com.au)

## Important information about moving rolling stock:

Shunting in the yard will not be frequent but regular as movements are required. Typically shunting would occur in bringing rolling stock to the station for display at open days, special events and rallies.

### Medicals:

The level of certification depends on your level of interest.

Driver Level 1 medical certificate

TMV operator Level 2 medical certificate.

For all volunteers there is a site induction and further training depending on the type of volunteer assistance you wish to undertake.

OTHR needs to comply with the guidelines of ONRSR – the Office of the National Rail Safety Regulator and other Laws either Federal or State.

Still interested in volunteering? Then let's hear from you.

## General Expectations of Members

As with any group or association there are certain requirements with regard to conduct by members.

OTHR has a Code of Conduct held within its SMS documents.

Your Committee considers our code is very general and needs to be expanded to cover a range of areas.

Accordingly, your Committee has produced a comprehensive Code of Conduct. All Committee members, members, volunteers and employees of OTHR are representatives of OTHR and are expected to act responsibly and professionally.

## Our Code.

Oberon Tarana Heritage Railway Inc. (OTHR) is a not for profit, member-based organisation. We have a responsibility to strive to make informed, consistent and ethical decisions.

Our code is a public statement that OTHR is committed to doing the right things the right way. Our code applies to all OTHR committee members and members.

We are proud of our culture, and understand it is continually shaped by the behaviours and attitudes demonstrated on a day to day basis by all our people.

Our code includes references to relevant OTHR requirements (OTHR policies and procedures) and other helpful tools and resources.

No code of conduct can ever cover every possible situation, OTHR relies on you to use sound judgement and speak up when you have questions or concerns.

All committee members, members, volunteers and employees of OTHR are representatives of OTHR and are expected to act responsibly and professionally.

As a representative of OTHR, you are expected to act in the best interests of OTHR and to conduct yourself in a manner that does not discredit:

- An individual team member, having regard to their position held within OTHR, or
- The reputation of OTHR.

Whenever there is conflict or a difference between an applicable legal requirement and Our Code, you must apply the strictest standard.

Our partners, and third parties, can also have a direct impact on the reputation of OTHR through their behaviours and actions. For this reason, we want to work with our partners to ensure that they share our commitment to safety, ethics and compliance.

We also expect and encourage all of our contractors and their employees to act in a way that is consistent with Our Code. We will take appropriate measures where we believe they have not met our expectations or their contractual obligations.

*Left to Right: Catering Manager Elaine Boxer, President Greg Bourne and Co-Patron Andre Gee at the opening of the Bathurst Rail Museum*

## Important Information.

Help us bring our heritage railway to life by becoming a financial member of the Oberon Tarana Heritage Railway Inc.

Membership of Oberon Tarana Heritage Railway Inc. is a valuable way you can contribute to our vision.

Individual annual membership cost \$20.00 per year and new members are welcomed at any time during the year.

Membership is required to cover insurance for any volunteer work you are able to contribute.

Membership is due at the end of June annually.

Refer to OTHR website to download an application.

## Oberon Railway Cars and Coffee

Oberon Railway Cars and Coffee will be held on Sunday 5<sup>th</sup> April 2020 from 9.30 AM. In the car park ,located in North Street, Oberon NSW

Oberon Railway Cars and Coffee is a new event for OTHR. For those unfamiliar with this type of events, the name really suggests it all. Everyone is welcome to come and look and enjoy great conversation with fellow enthusiasts.

Anyone with an interesting car, truck, bike or tractor can enter. All genres in those broad titles are welcome whether you have a modern car truck, bike, or tractor; classic, hot rod, rat rod, whatever we would love to see it..

Entry is free and Crissie's Coffee is serving great tasting coffee, while OTHR will dispense a Sausage Sanger or B & E Roll for a modest price.

For those interested, the Oberon Railway precinct will be open and for a small entry fee of \$5.00, you can take in our grand railway project. Volunteers will be on hand to guide you through.

All proceeds go to the Oberon Tarana Heritage Railway Inc. to assist in further the progression of the railway tourism project.

Come and enjoy a great country venue, a little different to others you might have experienced and have great conversation with like-minded enthusiasts.

There are many good cafes and eating houses in Oberon for a meal afterwards, or take a short run

to Tarana to enjoy a great country pub or cage opposite.

Jenolan Caves and Mayfield Garden are a couple of fantastic attractions available should you want to extend your visit to Oberon.

Venue : Oberon Railway Car Park, North Street Oberon, NSW.

Time 9.30 AM 'til around 1.30 PM

Date Sunday 5<sup>th</sup> April 2020.

Be There!!

*See Arthur Robinson's 1928 Chevrolet Roadster at the event.*

## Sleepers

You are reminded that we have a supply of sleepers for sale. Some are suitable for landscaping and some suitable for firewood. See the advertisement later in the newsletter about firewood. If you want to purchase landscaping sleepers, contact President Greg Bourne.

These sales are a good source of income for your organisation.

## Secured your New Merchandise Yet?

Enamelled metal badges have been added to our new range of merchandise.

They are of a very good quality and a great addition to your collection of OTHR memorabilia.

Prices: \$10.00 members, \$12.50 non-members, plus P&P if purchasing online/order form. See the order form later in the Newsletter.

A select number of local businesses are now stocking OTHR merchandise. The stores include Oberon Visitor Information Centre, Oberon Licenced Post Office, Kringle Cottage, Arrows Newsagency and Mama Snow's Café, Tarana

## About Oberon.....

Autumn in Oberon is a combination of stable, temperate alpine climate albeit getting a little chilly at night with more than enough attractions to keep a group of visitors occupied for a week or more.

It's always a challenge for an association's events manager or co-ordinator to continue to come up with interesting places to go and see.

Have you ever considered Oberon as a place your club or association would visit?

There are great drives around the Oberon area. All routes take in the beautiful country side and all are bitumen roads. We currently have 6 routes ranging in time from approx. 40kms to approx. 149kms. All routes are self-guiding or we can guide you.

Oberon, often overlooked because it's central to most of New South Wales major tourist attractions, is the first authentic country town west of the Blue Mountains. It is the home of the Oberon Tarana Heritage Railway Inc. Within the heritage railway precinct, you will find a vibrant and active heritage railway interpretive centre, the only Skoda Tatra Car Museum in Australia, and a regional museum. Nearby is one of the best private museums

featuring tractors and other memorabilia and a fantastic military museum also close by.

Mayfield Garden is the largest cool climate garden in the world, over 160 acres in size; the World Heritage listed Jenolan caves; the museums and world famous racing car track and shopping delights of nearby Bathurst and of course the sites and delights of the famous Blue Mountains also within 50 minutes' drive of Oberon.

Oberon Council activities during March include:

- Spartan Australia Race 7<sup>th</sup> March
- Oberon Community and Farmers Market 1<sup>st</sup> Saturday
- Tarana Community and Farmers Market 4<sup>th</sup> Sunday

And of course

- Oberon Cars and Coffee 5<sup>th</sup> April.

Piqued your interest? Who do you contact?

To get you started you can contact Oberon Tarana Heritage Railway Inc., (0408 606 889 Dave), the Oberon Visitor Information Centre on 6329 8210 Mat, Debbie or Lynne)

We have expertise in organising group stays, from a day to a week, and can assist you in organising a visit to Oberon.

Some past events have included:

- Morgan Muster (an anniversary tour by the Morgan Owners Club).
- Triumph Car Club weekend.
- Geelong Car Club week-long visit.
- Peugeot Car Nationals over an extended weekend.
- Various seniors bus groups.
- School Children.
- 7<sup>th</sup> Horseless Carriage Club International Tour.
- Insights Railway Tour
- "Downunder Jampot Rally" organised in conjunction with the AJS & Matchless Motorcycle group and OH@CC.
- Weekend visitors enjoying lunch and a visit to the two museums and railway interpretive centre on site as part of Oberon Outdoor Week.

Oberon, the perfect place to base yourself for a week or a few days or even just a day!

Oberon is just two hours from Sydney's Western Suburbs, two and a half hours from Canberra, and an easy and lovely drive from Dubbo as well as the Hunter Valley.

There is a team of friendly locals here to help.

One thing's for sure, you will be more than welcome in Oberon!

Contact us any time to discuss.

Oberon, Simply Spectacular!

Email [admin@othr.com.au](mailto:admin@othr.com.au)

Or phone 0437 389 684 Greg, or 0408 606 889 Dave.

We would appreciate you passing this newsletter to others who might be thinking about a wonderful and vibrant trip to a spectacular part of Australia.

## What could you expect....

When the train is running to Hazelgrove.

We aren't planning to be dull; some of the ideas being tossed around at the moment include regular music trains featuring "Country Rails" with singers/bands at Oberon Station, or "Jazz on Track" or "Rockin' Rails."

Perhaps entertainment by Oberon's finest talent at a mystery venue somewhere along the track.

To whet your appetite we are looking at wine tasting events using local wines including cheese, olives, crackers and a backing DJ providing great musical support.

What about high tea in the café carriage?

Far-fetched? I think not – the café carriage is almost complete and we have suitably qualified staffers.

Add to this regular runs to Hazelgrove and it's a recipe for total fun.

## Café in a Carriage is coming to fruition.

The café in the Carriage is closer to completion.

Once completed the café will be used at our regular open days, and other events planned for the future.

*Interior view of works progress of the café.*

## February Working Bee wrap

Working bees have continued in February, and the matters raised in regard to roads 5 & 6 during January by Shane from Hi-Tech Rail Services have been attended to. The photos show that timbers and sleepers have been replaced in the coal storage road. Work has started on the timbers, sleepers and lever frame E associated with the turnout at the southern end of the yard near Scotia Avenue – this could be finished on Saturday March 21<sup>st</sup>. Mike O’Kane has continued with the interior of HLF 854

*Latest working bee showing work on the line at the southern end of the Oberon Yard.*

## Next Working Bees.

Working Bees are extremely important in keeping the momentum at the railway moving forward.

### Working Bees for March and April

- Saturday 21<sup>st</sup> March
- Wednesday 1<sup>st</sup> and Thursday 2<sup>nd</sup> April
- Saturday 18<sup>th</sup> April

The working bees usually have a main focus on track work in the Oberon Yard and “regulars” have developed into a very competent group of fettlers. We can always find other work for participants indoors or outdoors.

*OTHR volunteers making the track good just south of the station platform.*

*Volunteer Graham restoring the line near the pedestrian walkway*

*Further restoration on the line towards the coal shed*

**We are always on the lookout for volunteers for working bees.**  
**Generally, volunteers are required to participate in allocated tasks.**  
**If you can help, contact President Greg.**  
**Not all work is onerous and can be as little or as much as you can put in.**  
**We would like to see anyone with railway trade experience but that's not a requirement. There is a job for everyone.**  
**You don't have to attend every working bee, just the ones that fit in your timeframe.**  
**You will take away experiences from your time at Oberon.**  
**Some of the benefits of volunteering are:**

- **Developing new skills**
- **Meeting new people**
- **Assisting with a meaningful and important cause**
- **Contributing to the community**
- **A sense of belonging.**

## **Monthly Open Days.**

Open days are held on the 1<sup>st</sup> Saturday of each month to coincide with the Oberon Farmers Market.

Volunteers will be required to meet and greet visitors, show them through the displays and try to answer any questions.

If you wish to volunteer at the open days, please contact President Greg. All that's required is a

broad knowledge of OTHR history and an ability to talk with people. The work is rewarding.

Some changes have been made, with the establishment of a professional though small railway interpretive display; an entry fee of \$5.00 pp (children under 18 free), and a pop-up café serving a Devonshire tea for an additional \$10.00.

The result has seen a large increase in visitors comprising locals and tourists.

Your committee is also actively advertising for group visits and we are providing a railway experience bar none.

Groups are starting to line up and results so far have been encouraging.

If you are a member of another group, say a car club or Rotary or Probus or a gardening club, etc. and that group is looking for an excursion, please suggest they book a group visit to Oberon station.

## **Welcome New Members**

Oberon Tarana Heritage Railway Inc. is always looking for new members.

This month we welcome:

Rick Bernecic & Beryl Thorpe of North Haven, NSW

Welcome Rick and Beryl.

Interested in railways or the Oberon to Tarana line in particular, why not give your support by becoming a member?

## Not so well

If anyone hears about any member on the sick list, please let the editor know via President Greg so we can send get well wishes on behalf of the association.

## Remembering....

Let us know of the passing of any of our members, so we can acknowledge them appropriately. Contact President Greg with all details.

## Say Whaat???

- There are two words in a person's life that will open lots of doors for them....  
Push and Pull.
- My wife asked me to see things from a woman's point of view....  
So I looked out of the kitchen window.
- I'm writing a book about reverse psychology.....  
Please don't buy it.
- The main reason that Santa is so jolly is because he knows where all the bas girls are,

Currently we now have five sponsors on board, all sponsors offer in kind support for which we are extremely grateful.

## Visit OTHR when next you come to Oberon

Make sure you keep up to date with work in progress at the Oberon Station Precinct and the Oberon branch line.

The heritage listed PC3 station building contains a small interpretive centre consisting of memorabilia and a photo display of the history of the Oberon to Tarana branch line.

The wider Oberon Heritage precinct house a variety of rolling stock most of which is rare and has a story to tell.

Ask any of our enthusiastic volunteers for the low down on the machinery.

OTHR and the Skoda Tatra Museum are open between 10 AM and 2 PM on the first Saturday of each month, coinciding with the Oberon Farmers Market.

Admission \$5 (18 and over), Devonshire Tea \$10. Skoda Tatra Museum entry by way of a donation.

For group visits: see <http://othr.com.au> (contact us) or contact President Greg.

The last few Open Days have not been so successful but that's understandable considering the extremely hot weather.

Hopefully members and the general public will make up for those lost days now that the days are cooler.

## What's Happening on Grants Funding?

The Commonwealth Development Grant of \$1.5M is still at the paperwork stage. Federal Government representatives were looking for audited balance sheets for the past two years. Thankfully they are to hand and have been submitted to Government.

OTHR has received some good news in that another grant for \$10,172.80 has been approved by the Australian Government, Dept. of Industry, Innovation and Science to enable the purchase of a commercial spraying unit to keep weeds in check in the railway corridor.

## Training

Training is an ongoing issue for OTHR.

Some of the training can be conducted in house and some needs to be done externally.

A couple of areas are being examined just now and include:

- Rail Safety Workers Certificate. This can be done online.
- TMV Training. This can be done in house. There is a Medical Certificate requirement .
- Locomotive Driver Training. Once we have identified a permanent trainer, we will be proceeding as soon as possible.
- Responsible Service of Alcohol Certificate can be done externally online.
- Working with Children Certificate. This can be done externally.

*Inserting new timber near the pedestrian crossing.*

## We have Jobs,

## But what do they entail?

It's often said by some that they would like to volunteer but don't know where to look; they have skills that must be of use but where?

OTHR has jobs and we are looking for people with particular skills. Do you want to be part of a progressive association with bold plans and a grand vision that is steaming ahead?

So, what do these jobs entail? Let's look at a couple this month:

**Curator Oberon Station Interpretive Display.** This position is a significant job that entails managing the display of railway items within the station.

- Ensure that the display items are kept in a tidy fashion and a suitable description accompanies each piece.
- Maintains the display area in a tidy fashion that includes dusting and cleaning.

This position would be ideal for someone who wants to volunteer on a part time basis. We would envisage that they would tend the Interpretive Display every couple of weeks.

**Finance Manager.** This position is very well suited to someone with an accounting background. Duties include:

- Complies with OTHR's Safety Management System provisions and related standards and procedures.
- Prepares annual Financial Plans with the Treasurer and the Finance Sub-Committee.
- Prepares accounts for audit and annual financial statements for the Office of Fair Trading.
- Chairs the Finance Sub-Committee.
- Applies for grants from funding bodies.
- Organises raffles and other fund-raising activities.

## Sponsors

Seeking funding continues to be one of your committee's priorities.

Sponsorships are a very important part of the funding of our activities. It matters not whether a person or company contributes cash or kind, each will be considered as a sponsorship. The reason is that any person or company that contributes in kind is helping us in as much as we don't have to pay for those services and the sponsor is foregoing income. The committee needs to seek cash sponsors and this task is ongoing.

Currently we now have five sponsors on board, all sponsors offer in kind support for which we are extremely grateful.

Would you like to become a sponsor? Contact President Greg to find out how you can participate in OTHR's exciting sponsorship deals. There are a few sponsorship levels available. By sponsoring OTHR and its vision you will become a partner of the programme.
