Safety Policy

POL-001

1: Introduction

Oberon Tarana Heritage Railway Inc is committed to our duty of care for the health and safety of our workers, contactors and visitors and to the elimination of work-related injuries and illness.

2: Scope

Our goal is ZERO Injuries – nobody gets hurt,

- We are all responsible and accountable for safety.
- A Safety Culture requires commitment at all levels, good communication, trust and an effective system.
- Effective risk management requires understanding, planning, training, consultation and accountability.

3: Responsibilities

Our Commitment to Safety

- Understand the specific health and safety responsibilities of operating the OTHR.
- Ensure hazards are identified and the risks are effectively managed.
- Strive to continually improve our safety performance by establishing objectives, implementing plans, measuring performance and reviewing progress.
- Provide appropriate resources, systems of work, training and supervision.
- Complying with legislative requirements and current industry standards.
- Ensuring all OTHR managers understand and implement our Safety Management System.
- Consultation and cooperation between management, members, contractors and volunteers on matters that affect health and safety.
- Workers shall report all hazards, incidents and injuries and will abide by all safety rules and procedures and take reasonable care for the safety of themselves and others.
